**Behind the Badge Foundation's** mission is to honor the sacrifice of officers who have suffered a line of duty death or serious injury by:

- serving as the trusted resource to families and surviving officers
- providing immediate and ongoing support
- maintaining the Law Enforcement Memorial as eternal recognition and remembrance for fallen officers

My letter to you today is to ask you to consider donating an auction item or service, to the 12th Annual Law Enforcement Memorial Ball and Auction hosted by **Behind the Badge Foundation**. The Law Enforcement Memorial Ball and Auction is scheduled for April 10, 2010 at the Hilton Seattle Airport and Conference Center located in SeaTac, Washington.

**Your donated auction item or service supports:**

- Our Line of Duty Death Response Team assisting agencies in the planning of an officer's memorial service and crucial outreach to the family in crisis
- Resources to offset memorial expenses. (no public funds can be used for an officer's memorial service)
- Resources to send families of Washington fallen officers to Concerns of Police Survivors' grief seminars and retreats geared specifically to traumatic death of law enforcement officers
- Development of a resource center
- BtBF supports Seattle Police Department's Hospital Response Team - beginning our outreach to seriously injured officers

All auction items will be noted in our auction catalog. Your business will be listed with your contact information for the easy reference of our guests.
